

IS YOUR BUILDING
SAFE FROM...

THE SWARMP THING?

The final deadline for filing 7th Cycle
Facade Inspection reports is approaching
fast, and buildings with outstanding
**Safe With a Repair and Maintenance
Program** items will be downgraded to
"Unsafe" by the Buildings Department.
To fend off the **SWARMP Thing**, call RAND's
facade inspection team before it's too late.
The building you save may be your own.
